RE: FRANCIS DRISCOLL

Dear Ms. Florea:

Infinity Investigative Solutions is a boutique private investigative firm comprised of some of the nation's leading experts in various disciplines including: financial and stock market inquiries, money laundering, difficult background, and corporate investigations.

Previously, we conducted a preliminary financial investigation of Francis/Frank Driscoll. Our analysis included a review of potential banking/brokerage firm relationships, business entities, and real property.

Pursuant to your request, our firm and/or its suppliers agree to conduct a signatory bank account search in both Puerto Rico and St. John for a flat fee of \$11,500.00. This search is conducted in two Phases.

In Phase I, we will determine if the search subject, Francis Driscoll, is a signatory on any bank accounts in either Territory. The title on the account may be in the subject's name, a business or a trust; however, if Francis/Frank Driscoll is the signatory on the account this information will be available.

Based on the information obtained, in Phase II our firm and/or its suppliers agree to obtain the account number and balance, if available, of the identified accounts.

Due to the nature of this search, we require the fee to be paid upfront. If it is determined, that further investigation is necessary we will need to amend this agreement. All information obtained in connection with this investigation is considered confidential, may constitute attorney work product, and thus may be privileged and confidential information.

If this correctly reflects your wishes and our agreement, please so indicate with your signature below. Please keep a copy of this agreement for your files and return the original. Wiring instructions will be provided verbally.

We take our clients' needs very seriously. Please feel free to call with any questions or to discuss how we may be of service to you.

Yours very truly,  
Infinity Investigative Solutions
