CRIMINAL NO. 1:09-CR-544

Judge Gerald Bruce Lee

PLEA AGREEMENT

Dana J. Boente, United States Attorney for the Eastern District of Virginia, Timothy D. Belevetz, Assistant United States Attorney, Karen Servidea, Special Assistant United States Attorney, the defendant, Clyde Austin Gray, Jr., and the defendant's counsel have entered into an agreement pursuant to Rule 11 of the Federal Rules of Criminal Procedure. The terms of the agreement are as follows:

1. Offense and Maximum Penalties

The defendant agrees to waive indictment and plead guilty to a single count criminal information charging the defendant with conspiracy to commit bank fraud, in violation of Title 18, United States Code, Section 1349. The maximum penalties for this offense are a maximum term of 30 years of imprisonment, a fine of the higher of \$1,000,000 or twice the gross gain or loss, full restitution, a special assessment, and five years of supervised release. The defendant understands that this supervised release term is in addition to any prison term the defendant may receive, and that a violation of a term of supervised release could result in the defendant being returned to prison for the full term of supervised release.

The defendant understands that the Court has jurisdiction and authority to impose any sentence within the statutory maximum described above but that the Court will determine the defendant's actual sentence in accordance with Title 18, United States Code, Section 3553(a).

4. Role of the Court and the Probation Office

- a. the right to plead not guilty and to persist in that plea;
- b. the right to a jury trial;
- c. the right to be represented by counsel – and if necessary have the court appoint counsel – at trial and at every other stage of the proceedings; and
- d. the right at trial to confront and cross-examine adverse witnesses, to be protected from compelled self-incrimination, to testify and present evidence, and to compel the attendance of witnesses.

defendants include the following:

The defendant understands that by entering into this agreement, defendant surrenders certain rights as provided in this agreement. The defendant understands that the rights of criminal defendants include the following:

3. Assistance and Advice of Counsel

The defendant will plead guilty because the defendant is in fact guilty of the charged offense. The defendant admits the facts set forth in the statement of facts filed with this plea agreement and agrees that those facts establish guilt of the offense charged beyond a reasonable doubt. The statement of facts, which is hereby incorporated into this plea agreement, constitutes a stipulation of facts for purposes of Section 1B1.2(a) of the Sentencing Guidelines.

2. Factual Basis for the Plea

The defendant understands that the Court has not yet determined a sentence and that any estimate of the advisory sentencing range under the U.S. Sentencing Commission's Sentencing Guidelines Manual the defendant may have received from the defendant's counsel, the United States, or the Probation Office, is a prediction, not a promise, and is not binding on the United States, the Probation Office, or the Court. Additionally, pursuant to the Supreme Court's decision in United States v. Booker, 543 U.S. 220, 125 S. Ct. 738 (2005), the Court, after considering the factors set forth in Title 18, United States Code, Section 3553(a), may impose a sentence above or below the advisory sentencing range, subject only to review by higher courts for reasonableness. The United States makes no promise or representation concerning what sentence the defendant will receive, and the defendant cannot withdraw a guilty plea based upon the actual sentence. Further, in accordance with Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the United States and the defendant will recommend to the Court that the following provision of the Sentencing Guidelines applies:

- a. The fraud loss attributable to the defendant's conduct is more than \$1,000,000. Pursuant to Sections 2B1.1(a)(1) and 2B1.1(b)(1)(I) of the guidelines, the defendant's base offense level is 23.
- b. The defendant's conduct involved 10 or more victims. Pursuant to Section 2B1.1(b)(2)(A) of the guidelines, the defendant's offense level should be increased by two levels.
- c. The defendant was an organizer and leader of a criminal activity that involved five or more participants and was extensive. Pursuant to Section 3B1.1(a), the defendant's offense level should be increased by four levels.

- d. The United States and the defendant agree that the defendant has assisted the government in the investigation and prosecution of the defendant's own misconduct by timely notifying authorities of the defendant's intention to enter a plea of guilty, thereby permitting the government to avoid preparing for trial and permitting the government and the Court to allocate their resources efficiently. If the defendant qualifies for a two-level decrease in offense level pursuant to U.S.S.G. § 3E1.1(a) and the offense level prior to the operation of that section is a level 16 or greater, the government agrees to file, pursuant to U.S.S.G. § 3E1.1(b), a motion prior to, or at the time of, sentencing for an additional one-level decrease in the defendant's offense level.

5. Waiver of Appeal, FOIA, and Privacy Act Rights

The defendant also understands that Title 18, United States Code, Section 3742 affords a defendant the right to appeal the sentence imposed. Nonetheless, the defendant knowingly waives the right to appeal the conviction and any sentence within the statutory maximum described above (or the manner in which that sentence was determined) on the grounds set forth in Title 18, United States Code, Section 3742 or on any ground whatsoever, in exchange for the concessions made by the United States in this plea agreement. This agreement does not affect the rights or obligations of the United States as set forth in Title 18, United States Code, Section 3742(b). The defendant also hereby waives all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation

any records that may be sought under the Freedom of Information Act, Title 5, United States Code, Section 552, or the Privacy Act, Title 5, United States Code, Section 552a.

6. Waiver of DNA Testing

The defendant also understands that Title 18, United States Code, Section 3600 affords a defendant the right to request DNA testing of evidence after conviction. Nonetheless, the defendant knowingly waives that right. The defendant further understands that this waiver applies to DNA testing of any items of evidence in this case that could be subjected to DNA testing, and that the waiver forecloses any opportunity to have evidence submitted for DNA testing in this case or in any post-conviction proceeding for any purpose, including to support a claim of innocence to the charges admitted in this plea agreement.

7. Special Assessment

Before sentencing in this case, the defendant agrees to pay a mandatory special assessment of one hundred dollars (\$100.00) per count of conviction.

8. Payment of Monetary Penalties

The defendant understands and agrees that, pursuant to Title 18, United States Code, Section 3613, whatever monetary penalties are imposed by the Court will be due and payable immediately and subject to immediate enforcement by the United States as provided for in Section 3613. Furthermore, the defendant agrees to provide all of his financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination. If the Court imposes a schedule of payments, the defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation on the methods, available to the United States to enforce the judgment.

If the defendant is incarcerated, the defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program, regardless of whether the Court specifically directs participation or imposes a schedule of payments.

9. Restitution for Offense of Conviction

The defendant agrees to the entry of a Restitution Order for the full amount of the victims' losses. At this time, the Government is aware that the following victims have suffered the following losses.

10. Immunity from Further Prosecution in this District

The United States will not further criminally prosecute the defendant in the Eastern District of Virginia for the specific conduct described in the information or statement of facts.

11. The Defendant's Obligations Regarding Assets Subject to Forfeiture

The defendant agrees to identify all assets over which the defendant exercises or exercised control, directly or indirectly, within the past three years, or in which the defendant has or had during that time any financial interest. The defendant agrees to take all steps as requested

by the United States to obtain from any other parties by any lawful means any records of assets owned at any time by the defendant. The defendant agrees to undergo any polygraph examination the United States may choose to administer concerning such assets and to provide and/or consent to the release of the defendant's tax returns for the previous five years. Defendant agrees to forfeit to the United States all of the defendant's interests in any asset of a value of more than \$1,000 that, within the last three years, the defendant owned, or in which the defendant maintained an interest, the ownership of which the defendant fails to disclose to the United States in accordance with this agreement.

12. Forfeiture Agreement

The defendant agrees to forfeit all interests in any asset that the defendant owns or over which the defendant exercises control, directly or indirectly, as well as any property that is traceable to, derived from, fungible with, or a substitute for property that constitutes the proceeds of his offense, including but not limited to the following specific property: \$15,001 in cash. The defendant further agrees to waive all interest in the asset(s) in any administrative or judicial forfeiture proceeding, whether criminal or civil, state or federal. The defendant agrees to consent to the entry of orders of forfeiture for such property and waives the requirements of Federal Rules of Criminal Procedure 32.2 and 43(a) regarding notice of the forfeiture in the charging instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment. The defendant understands that the forfeiture of assets is part of the sentence that may be imposed in this case.

13. Waiver of Further Review of Forfeiture

The defendant further agrees to waive all constitutional and statutory challenges in any manner (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including that the forfeiture constitutes an excessive fine or punishment. The defendant also waives any failure by the Court to advise the defendant of any applicable forfeiture at the time the guilty plea is accepted as required by Rule 11(b)(1)(J). The defendant agrees to take all steps as requested by the United States to pass clear title to forfeitable assets to the United States, and to testify truthfully in any judicial forfeiture proceeding. The defendant understands and agrees that all property covered by this agreement is subject to forfeiture as proceeds of illegal conduct.

14. Breach of the Plea Agreement and Remedies

This agreement is effective when signed by the defendant, the defendant's attorney, and an attorney for the United States. The defendant agrees to entry of this plea agreement at the date and time scheduled with the Court by the United States (in consultation with the defendant's attorney). If the defendant withdraws from this agreement, or commits or attempts to commit any additional federal, state or local crimes, or intentionally gives materially false, incomplete, or misleading testimony or information, or otherwise violates any provision of this agreement, then:

- a. The United States will be released from its obligations under this agreement, including any obligation to seek a downward departure or a reduction in sentence. The defendant, however, may not withdraw the guilty plea entered pursuant to this agreement;

- b. The defendant will be subject to prosecution for any federal criminal violation, including, but not limited to, perjury and obstruction of justice, that is not time-barred by the applicable statute of limitations on the date this agreement is signed. Notwithstanding the subsequent expiration of the statute of limitations, in any such prosecution, the defendant agrees to waive any statute-of-limitations defense; and
- c. Any prosecution, including the prosecution that is the subject of this agreement, may be premised upon any information provided, or statements made, by the defendant, and all such information, statements, and leads derived therefrom may be used against the defendant. The defendant waives any right to claim that statements made before or after the date of this agreement, including the statement of facts accompanying this agreement or adopted by the defendant and any other statements made pursuant to this or any other agreement with the United States, should be excluded or suppressed under Fed. R. Evid. 410, Fed. R. Crim. P. 11(f), the Sentencing Guidelines or any other provision of the Constitution or federal law.

Any alleged breach of this agreement by either party shall be determined by the Court in an appropriate proceeding at which the defendant's disclosures and documentary evidence shall be admissible and at which the moving party shall be required to establish a breach of the plea agreement by a preponderance of the evidence. The proceeding established by this paragraph does not apply, however, to the decision of the United States whether to file a motion based on

“substantial assistance” as that phrase is used in Rule 35(b) of the Federal Rules of Criminal Procedure and Section 5K1.1 of the Sentencing Guidelines and Policy Statements. The defendant agrees that the decision whether to file such a motion rests in the sole discretion of the United States.

15. Nature of the Agreement and Modifications

This written agreement constitutes the complete plea agreement between the United States, the defendant, and the defendant’s counsel. The defendant and his attorney acknowledge that no threats, promises, or representations have been made, nor agreements reached, other than those set forth in writing in this plea agreement, to cause the defendant to plead guilty. Any modification of this plea agreement shall be valid only as set forth in writing in a supplemental or revised plea agreement signed by all parties.
